

West of Here

A Novel, by Jonathan Evison

(Algonquin, 9781565129528, \$24.95)

"I loved this big, gorgeous novel in which characters and story lines flow, merge, and diverge like the streams and channels of a river. The story spans more than 100 years in the fictional town of Port Bonita, Washington, and its surrounding wilderness. Evison pulls together such grand themes as our relationship to the land, what we make of our past, and what we owe to the future. His writing style is unpretentious and delightful, a

combination of big ideas and down-to-earth, friendly delivery that is perfectly suited to this quintessentially American novel."
