

The Angel Esmeralda

Nine Stories, by Don DeLillo

(Scribner, 9781451655841, \$24)

"This is the book DeLillo fans have been waiting for—his first collection of short stories written between 1979 and 2011. In these stories, DeLillo takes global themes and ideas, the conflicts we often don't want to acknowledge, and makes them human. The subjects are true and resonant: a jogger who witnesses a kidnapping, an elderly nun working in poverty-stricken New York, an astronaut looking down on a war-ravaged Earth. Each story is textured in DeLillo's precise, startling voice, one that can shout and whisper at the same time."
