

**Carry the One**  
A Novel, by Carol Anshaw

(Simon & Schuster, 9781451636888, \$25)

"Carmen and Matt's wedding was festive, full of dancing, drinking, and celebrating the joining of two lives. But for Carmen and Matt their wedding night would not be remembered solely with joy, but rather as the night a car full of their relatives and close friends headed out into the dark and accidentally killed a young girl on a lonely stretch of road. The occupants of that car and the wedding couple would be shackled by the guilt of that night for years to come. *Carry the One* examines the subtle shades of change

this tragic accident causes in their lives. It is a compelling story of friendship, loss, betrayal, and life at its most real."
