

**The Art Forger**

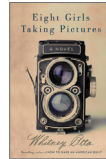

A Novel, by B.A. Shapiro

(Algonquin Books, 9781616201326, \$23.95)

"*The Art Forger* is a clever and gripping story. Claire Roth, a talented artist, finds herself intricately involved in the seedier side of art forgeries when she makes a questionable deal to forge a Degas masterpiece. Just like a fine painting, this is a many-layered literary thriller about love, betrayal, and authenticity. Shapiro builds the story with pitch-perfect suspense and plot twists that you don't see coming. While you are drawn deeply into the story, Shapiro outlines big questions about morality, fame, and truth in a world that is all about creating illusion for the sake of beauty. A masterpiece!"
