

**The Vanishing Act**

A Novel, by **Mette Jakobsen**

(W.W. Norton, 9780393062922, \$23.95)

"Minou is a 12-year-old girl who lives on a tiny, snow-covered island with her philosopher father, Boxman the magician, a dog called No-Name, and Priest. When a dead boy washes up on the island, Minou makes a connection between the boy's arrival and her mother's disappearance a year earlier. Using philosophy along with the power of her imagination, Minou tries to uncover the truth behind her mother's absence. What she discovers is haunting and unforgettable. *The Vanishing Act* is a charming, fable-like story, beautifully told, and filled with magic!"
