A Novel, by David Nicholls  
(Harper, 9780062365583, \$26.99)

"This gorgeous novel manages to be heart-wrenching and hilarious all at once. Connie tells Douglas that she suspects their 20-year marriage has 'run its course' right before they're set to leave on a European tour with their teenage son. Regardless, they take the trip and flashbacks of their more passionate days are interspersed with the narrative of their everything-at-stake adventure. A brilliant and humanizing picture of mature love—and a look at whether or not people truly outgrow each other."

—Mary Cotton, Newtonville Books, Newton, MA
