

Our Souls at Night

A Novel, by Kent Haruf
(Knopf, 9781101875896, \$24)

"In his final novel, Haruf once again casts an aura of spiritual resonance over the small town of Holt, Colorado. When an elderly woman proposes to her equally old male neighbor that they spend their nights together in conversation, chastely, yet sharing her bed in slumber, the talk among townfolk begins to stir.

Neither Addie Moore nor Louis Waters will allow slurred observations to impact what, for them, has become a blessing encompassing memories and the comfort of having the warmth of another body close on cold and lonely nights. Matters take a dramatic turn, however, with the arrival of Addie's grandson, Jamie. His presence in the ongoing arrangement brings the inevitable question of moral behavior to the surface. As in a minister's benediction, Haruf extends a wise and compassionate resolution to this story, the quintessence of his life's work."
