My Sister, the Serial Killer: A Novel

By Oyinkan Braithwaite

(Doubleday, 9780385544238, \$22.95)

"My Sister, the Serial Killer is one of the best books to come along in quite a while—fast, funny, and completely engrossing. Oyinkan Braithwaite offers up a tale of Nigerian sisters Ayoola, a beautiful and sociopathic serial killer who destroys boyfriends, aware that all they ever want her for is her appearance, and Korede, a nurse whose average looks leave her continually passed up in preference for Ayoola.

Still, taciturn and devoted Korede works hard to cover up her charming sister's crimes. What will happen when they both fall for the same guy? At once a page-turner and a perversely righteous tale about the emptiness of physical beauty and the superficiality of being charmed by it, *My Sister, the Serial Killer* is entertaining, provoking, and utterly fascinating!"
