

## THIS MONTH'S #1

### The Line Becomes a River: Dispatches From the Border

By Francisco Cantú  
(Riverhead Books, 9780735217713, \$26)

"Cantú personalizes the U.S.-Mexican border and all of its complexity in a way I've never seen. His writing is beautiful, with haunting and detailed descriptions of the desert, the immigrants, the cartels, and his own fears about violence and identity confusion. The criminalization of searching for a better life and the dehumanization of the process is looked at from several angles, and his journalistic approach does not make judgments, but clearly tells the facts. A great new writer to follow."

—Pat Marsello, Bookworks, Albuquerque, NM
