

THIS MONTH'S #1

There There: A Novel

By Tommy Orange

(Knopf, 9780525520375, \$25.95)

"*There There* is the kind of book that grabs you from the start and doesn't let go, even after you've turned the last page. It is a work of fiction, but every word of it feels true. Tommy Orange writes with a palpable anger and pain, telling the history of a cultural trauma handed down through generations in the blood and bones and stories of individual lives. He also writes with incredible heart and humor, infusing his characters with a tangible humanity and moments of joy even as they are headed toward tragedy. *There There* has claimed a permanent spot in my heart despite having broken it, or maybe because it did. I think this may be the best book I've ever read."
