

## THIS MONTH'S #1

### The Nickel Boys: A Novel

By Colson Whitehead

(Doubleday, 9780385537070, \$24.95)

"With every book, Colson Whitehead proves his ever-growing genius. He's a master of the written word and truly one of the greatest living American novelists of our time. I didn't think it was possible for him to write something better than *Underground Railroad*, but he most certainly has—*The Nickel Boys* grabbed me at page one. It's a mystery and a thriller, a treatise on race and social injustice, and a literary masterpiece all rolled into one. Ellwood and Turner are characters that will stay with me forever. This should be mandatory reading in every classroom."
