Wake, Siren: Ovid Resung

By Nina MacLaughlin

(FSG Originals, 9780374538583, trade paper, \$16)

"*Wake, Siren: Ovid Resung* has the power of a spell. Giving voice to the myriad women of Ovid's *Metamorphoses*, where 'what we have been today, we shall not be tomorrow,' Nina MacLaughlin conjures into being a new female consciousness and a world where our innermost truths are sung and our power is real. On nearly every page of this gorgeously written book, I heard echoed for the first time the song of my own authentic voice; I felt myself remade, fortified, held. I am awed by this visionary work and the remarkable insight that made it possible."
