

THIS MONTH'S #1

Watching You: A Novel

By Lisa Jewell

(Atria Books, 9781501190070, \$26)

"The picturesque painted houses at the top of the street hide a delicate web of past and present intrigue. Complicated relationships abound: sisters and brothers, teacher and student, innocent love and the timeless theme of marital infidelity, and, of course, a murder. Jewell's understanding of the human psyche and its idiosyncrasies makes for a deliciously hard-to-put-down whodunit that hits all too close to home. She is a story weaver like no other and she had me guessing the whole way through."

—Laura Taylor, The Oxford Exchange, Tampa, FL
