

THIS MONTH'S #1

Daisy Jones & the Six: A Novel

By Taylor Jenkins Reid

(Ballantine Books, 9781524798628, \$27)

"Oh man, what a ride! I guess I'm the right demographic for this book: I love rock and I grew up in the '70s, so I wanted to like it...instead, I loved it! Yes, it's sex, drugs, and rock 'n' roll, but it's also got wonderfully complex characters that I cared about even if I didn't like how they acted. It's a peek into the formation of a band, how the music is made, the struggles of addiction and clashing personalities, and, ultimately, love. The story is compiled of pieces of interviews with the band and those connected to them—a very effective technique that made the novel's pages turn even faster. Taylor Jenkins Reid's *Daisy Jones & the Six* is one of my favorite books of 2019 so far!"
