

THIS MONTH'S #1

The Invisible Life of Addie LaRue: A Novel

By V.E. Schwab

(Tor Books, 9780765387561, \$26.99)

"Epic, beautifully written, heartwarming, and heartbreaking, *The Invisible Life of Addie LaRue* is a contemplation on life, death, what it means to make your mark on the world, and why we feel it's important to do so. Addie makes a deal with a demon so she can live her life the way she wants to. But, like most deals, there are strings attached—and these strings

make it so she is forgotten by everyone she meets. Dancing about time, the book shows Addie's life over 300 years and takes a closer look at her modern life—after a boy in a bookshop remembers her. Months later, I'm still thinking about this book and how beautiful it is; my words don't even come close to doing it justice. Read this book."
