

## THIS MONTH'S #1

### Anxious People: A Novel

By Fredrik Backman

(Atria Books, 9781501160837, \$28)

"This book made me feel all the feels! It was sad, it was funny, it was hopeful, it was everything. The character development is incredible at revealing what's inside each of the characters, and the way their stories link and interconnect is genius. It's a

story about sadness and hope and human connections. I couldn't put it down and barreled to the end, but now I am sad it's over. *Anxious People* is truly the best thing I've read in a long time!"
